VOLUNTARY AGREEMENT NOT TO RENEW OR REINSTATE LICENSE

Keri Whitensack, being duly sworn, deposes and says:

1. I am over the age of majority and understand the obligations of an oath.
2. I make this affidavit on the basis of personal knowledge.
3. I presently hold licensed practical nurse license number 028095, which expired on October 17, 2001.
4. I hereby voluntarily agree not to renew or reinstate my license to practice as a licensed practical nurse in the State of Connecticut.
5. I understand and agree that if I seek a new license or to reinstate my license at any time in the future, the allegations contained in Petition Number 2001-1003-011-027 shall be deemed true. I further understand that any such application must be made to the Department which shall have absolute discretion, after seeking the advice of the Connecticut Board of Examiners for Nursing (hereinafter "the Board"), as to whether said license shall be issued or reinstated and, if so, whether said license shall be subject to conditions. No reinstatement shall become effective until the Department seeks the advice of the Board.
6. I hereby waive any right to a hearing I may have regarding any request that my license be reinstated or that a new license be issued and also waive any right that I may have to appeal or otherwise challenge the disposition of any such request.
7. I understand and agree that this affidavit and the case file in Petition Number 2001-1003-011-027 are public documents, and I am executing this affidavit in settlement of the allegations contained in the above-referenced petition.
8. I understand that this document has no effect unless and until it is executed by the Department; and that, upon execution, the Department will dismiss Petition No. 2001-1003-011-027.
9. I understand that, upon execution of this document by the Department, the Department will present this document to the Board and will move to withdraw the Statement of Charges in Petition No. 2001-1003-011-027. I understand that this document is not effective unless and
